**From Routes I-95 and 128 North:**

Take 114 East at Exit 25A off 128 North after the I-95 split.

Follow 114E through Peabody into Salem.

*Be sure to follow the signs for 114E as you will have to take some sharp right and left turns to stay on 114.*

After crossing the Salem/Peabody line, 114 becomes North Street.

Continue on North Street into Salem for approximately 1 mile.

You will go over a bridge that crosses a river and railroad tracks.

Continue straight on 114, which now becomes Summer Street.

You will go through a traffic light (*cross street is Essex Street*).

Just past the light, you will see the Salem Inn on your left.

At the next intersection, 114 takes a sharp left and becomes Norman Street.

Continue down Norman Street/114 for three blocks.

You will see the Salem Post Office on your right. It is a large brick building, with scrollwork along the side.

Turn right at the Salem Post Office, keeping it on your right.

You are now on Margin Street and have left 114.

Continue straight for approximately 3 blocks

Flat Rock Creative is on your left, just after the Police Station.
